L6000-p2 Quality Policy

Metenova aim to surpass our Pharma- and Biopharmaceutical customer expectations regarding quality and mixing performance.

This is done through our values:

- Innovation
 - Striving to see beyond what is known
- Commitment
 - To the patients' best interest
- Collaboration
 - Internal & external openness

The management team at Metenova shall ensure that we have an updated Quality Management System (QMS) that reflect our way of working which shall be a support to the organization and increase efficiency. The Metenova organization shall also ensure that the QMS continuously improve and meet applicable laws and regulatory requirements.
